National Youth Leader Training

Ozark Trails Council

July 29 - August 3, 2013

Camp Childress
Diamond, MO

What is NYLT?

National Youth Leadership Training is an exciting, action-packed program designed for Councils to provide youth scouts with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others.

The NYLT course centers around the concepts of what a leader must **BE**, what they must **KNOW**, and what they must **DO**. The key elements are then taught with a clear focus on **HOW TO**. The skills come alive during the week as the team goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a unit and team outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

Built on the legacy of past JLT successes, the NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

WHO SHOULD ATTEND?

Youth leaders and future youth leaders. It is encouraged that everyone registered in a troop, crew, ship or team should attend. This course is open to all scouts male and female alike.

WHAT DOES NYLT OFFER?

A global view of Scouting, contemporary leadership concepts, team development experience, leadership practice, fellowship and FUN!

There will be a *mandatory* Pre-Course Orientation for all scouts and parents on July 6, 2013 at 3:00 pm at the Springfield Scout Service Center.
