Many employers recognize the benefits of their employees participating in leadership programs like Wood Badge for the 21st Century. Check with your employer to see if tuition assistance or reimbursement funds are available for individual pursuit of life-education or personal achievement training.

Check with your unit or your chartered organization. If they can see the value in this training for the unit and ultimately the youth in your unit, they may assist you.

If you still need some financial assistance, camperships may be available. Contact the course director or the Wood Badge Coordinator listed.

The maximum number of participants for each course is 48. This will be filled on a first come, first served basis. Avoid being on the waiting list, register early!

What is Wood Badge?

In 1911 Lord Baden-Powell began training Scouting's adult leaders by organizing a series of lectures. In 1919, these lectures became the basis for Wood Badge.

The primary purpose of Wood Badge has always been to strengthen Scouting in our units, districts, and local councils.

Since 1919, Wood Badge has continued to evolve to meet Scouting's needs. Wood Badge for the 21st Century has been developed for Cub Scout, Boy Scout, Varsity Team, Explorer Post and Venturing Crew leaders, as well as council and district level volunteers. Its focus is on leadership, rather than outdoor skills.

The first weekend includes presentations and activities that simulate the transition from the 5th Grade Webelos Scout program into a lifelong Boy Scout Experience. It focuses on three weeks of troop meetings and activities. The second weekend parallels a Scout troop's method and structure for an exciting and challenging weekend campout experience.

WHO SHOULD ATTEND?

Leaders of ALL programs should attend. It is encouraged that everyone attend within the first two years of service.

WHAT DOES WOOD BADGE OFFER?

A global view of scouting, contemporary leadership concepts, team development experience, leadership practice, FUN, and fellowship
