An evening course designed to help you provide the best Webelos program to the boys.

Do you know the difference between an Activity Badge and an Academics and Sports Pin?

The Webelos program is different than the Cub Scout program. Webelos are making their final steps toward becoming Boy Scouts. As a result new concepts such as activity badge coordinators, longer camping outings and utilizing the Scout Oath and Law are introduced to the Webelos.

We will also talk about advancement, resources for Scout leaders, Roundtables, and how to use a Den Chief to give the boys a role model and take some of the pressure off of a den leader. For example the boys will be enthralled by the exciting stories of Boy Scout or Venturing campouts while you talk to parents about the upcoming field trip.

Den leaders who complete this training and Youth Protection training are considered "trained" as a Webelos Den Leader.

We anticipate that the Webelos Den Leader Specific training will last from 7:00 PM to approximately 8:30 PM.

Please join us for evening of fun with a purpose!
