

# Venturing

2nd Annual  
**Fun Rally**  
**Frank Childress Scout Reservation**  
**April 25-27, 2008**

My Fellow Explorer Posts and Venturing Crews,

I would like to personally invite all of the crews and posts in the Ozark Trails Council to our 2nd annual "Fun Rally 2008". The event will be held on April 25-27, 2008 at Frank Childress Scout Reservation. We want this event to be a big and fun event, hence the name "Fun Rally".

For this event we are planning the following activities: Competition games such as volleyball and kickball. Other activities that will be included might be mini golf, soccer, football, and other types of competitive games. I promise there will be something for everyone at our Fun Rally. Saturday night we are also planning a SPARTY with a live D.J. For those of you who do not know what a SPARTY is, it's like a party but better, with dancing, bonfires, food, good people and lots of fun.

We will be issuing game boards to everyone who attends the Fun Rally. The game board will earn points for each individual, as well as there unit. For example, each game will earn you and your team points. You receive points for the stations that you attend.

I hope all of the crews/posts can attend this great event. It will be a blast. We have an excellent Fun Rally Committee who has worked around the clock for success of this event. We would really appreciate your attendance and cooperation during the course of this Fun Rally.

For details and to download the complete Fun Rally packet, go to [www.ozarktrailsbsa.org](http://www.ozarktrailsbsa.org), or contact any of the three council shops. The cost for all this fun is only \$20 per person (which includes all meals, patch and activities) before April 11th and \$25 per person after April 11<sup>th</sup>.

Yours in Scouting,  
Kayla Campbell (Event Master)
