Council Accident & Sickness Plan

This booklet will acquaint you with the BSA Council Accident & Sickness Insurance Plan; a Plan to assist Councils in meeting the insurance needs for their units, as well as for Council sponsored camps.

Coverage under this insurance extends to all youth and seasonal staff. You may also include all volunteer leaders, including den aides/chiefs, of your Council.

The administrator, **Health Special Risk, Inc.**, of Carrollton, Texas, will handle enrollment under the Master Policy and payment of claims.

Eligibility

All registered youth and leaders (including den aides/chiefs, seasonal staff and volunteer leaders) of each Boy Scout Council

and Learning for Life program are eligible for coverage. New youth members added during the year are automatically covered until the renewal date. Coverage is also automatic for new leaders if the Council includes coverage for such members. Note: If your Council did not insure members of the Learning for Life (Explorer and/or Non-Explorer) program, they will not be insured unless coverage is purchased separately.

Non-Scouts, non-Scouters and guests who are being encouraged to become Scouts or leaders

Council Accident & Sickness Insurance Plan

are automatically insured while in attendance at a scheduled activity. Other guests are not covered. The same holds true for Learning for Life.

Coverage

The Plan provides year-round coverage for injuries occurring anywhere in the world while:

- **Participating** in an official Scouting or Learning for Life activity. Seasonal camp staff are also covered during their off-duty hours, subject to the workers' compensation exclusion.
- **Traveling** to and from official Scouting or Learning for Life activities.

Coverage is provided for sickness that begins while the insured member is:

- **In attendance** at an official overnight Scouting or Learning for Life activity or other covered event. Seasonal camp staff are also covered during their off-duty hours, subject to the workers' compensation exclusion.
- **Traveling** to and from such an overnight or other covered event.

Definitions

“Injury” means accidental bodily harm sustained by an insured member that results directly and independently from all other causes from a covered accident. The Injury must be caused solely through external and accidental means. All injuries sustained by one person in any one accident, including all related conditions and recurrent symptoms of these injuries, are considered a single Injury.

“Sickness” means any Sickness that requires unscheduled medical treatment during an official Scouting or Learning for Life activity.

pay \$10,000 for paraplegia or hemiplegia and \$20,000 for quadriplegia.

“**Paraplegia**” means complete loss of function of the lower extremities of the body with involvement of both legs. “**Hemiplegia**” means complete loss of function of one side of the body with involvement of the arm and leg.

“**Quadriplegia**” means complete loss of function of both the upper and lower extremities of the body with involvement of both arms and both legs. “**Limb**” means hand(s), arm(s), foot (feet), or leg(s).

In the event of multiple losses or death resulting from any one covered accident, only one benefit is payable...the larger amount applicable.

Benefits for medical expenses, dental treatment and ambulance services

■ **Up to \$15,000 for Accident Medical Expense Benefits**

■ **Up to \$7,500 for Sickness Expense Benefits**

For each sickness or injury, benefits are payable for medical or surgical treatment, prescription drugs or for hospitalization or the exclusive services of a private duty nurse (RN or LPN), which begin within 60 days from the date of the accident or sickness that begins during the covered activity. Benefits will be paid for expenses incurred (subject to the Primary Excess Provision explained below) up to the Usual and Customary charges normally made within the geographic area where treatment is performed.

Primary excess provision

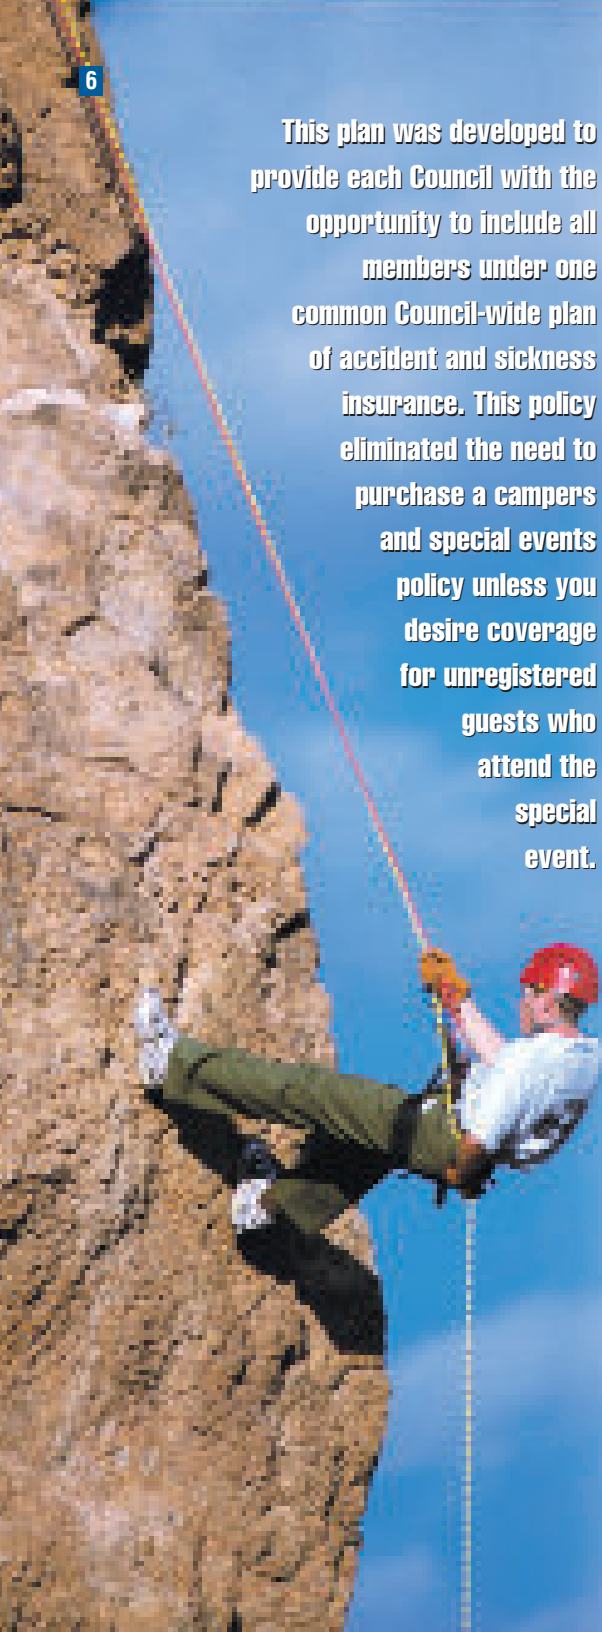

The Plan pays the first \$300 of covered accident or sickness medical expenses without regard to any other health care plan benefits in-force. If no other collectible insurance or health plan benefits are available, this Primary/Excess provision will not apply.

Also, coverage under this plan does not provide duplicate benefits when an insured member is also insured under another Boy Scout or Learning for Life plan for a national or regional sponsored camp or special event. This provision applies to all benefits offered under these plans, including Accidental Death & Dismemberment.

Specified injury benefits

Injury maximum of up to \$35,000 will be paid for medically necessary treatment due to the following specified injuries: (a) loss of sight in both eyes; (b) dismemberment any extremity; (c) paralysis; (d) irreversible coma; (e) entire loss of speech; or (f) loss of hearing in both ears.

“Dismemberment of any extremity” means complete Severance of hand, foot, arm or, leg. “Severance” means the complete separation and dismemberment of the part from the body. “Paralysis” means total loss of use of: a) both upper and lower limbs; upper and lower limbs on one side of the body; one lower limb or one upper limb; or both lower limbs or both upper limbs.

A person wearing a red helmet, a white t-shirt, and olive green pants is rappelling down a steep, brown rock face. The person is holding a red rope and is positioned in the lower right quadrant of the image. The background is a clear blue sky. The rock face is textured and shows some shadows.

This plan was developed to provide each Council with the opportunity to include all members under one common Council-wide plan of accident and sickness insurance. This policy eliminated the need to purchase a campers and special events policy unless you desire coverage for unregistered guests who attend the special event.

“Irreversible Coma” means: (a) state of unconsciousness in which there is a cessation of activity in the central nervous system as demonstrated by an electroencephalogram (using criteria established by the American Electroencephalography Society); and (b) a diagnosis of brain death by the attending doctor.

■ **Up to \$5,000 for Dental Treatment**

Pays for dental injuries, up to a total of \$5,000 for repair, treatment and/or replacement of sound, natural teeth. If, within the 52-week period following the date of the accident, the Insured’s attending dentist certifies that dental treatment and/or replacement must be deferred beyond such 52-week period, the Company will pay the estimated cost of such treatment; however, benefits will not exceed a total of \$5,000. This benefit shall be in addition to any other benefits payable under the terms of this Plan.

■ **Up to \$6,000 for Ambulance Service Benefits**

Pays for air ambulance service when, in the judgment of the duly authorized medical authority or the senior representative of the camp or activity,

such service is needed to facilitate treatment of injuries and no other ambulance service is available.

Pays for professional ambulance service for surface transportation to a hospital. These benefits shall be in addition to any other benefit payable under the terms of this plan.

Benefits for medical expenses, dental treatment and ambulance services are payable for services or treatment performed and supplies furnished within 52 weeks of the date of the accident or sickness that begins during the covered activity.

■ Up to \$1,500 for Return Transportation Expenses

If a covered injury or sickness requires an insured member to return home from a scheduled activity, the transportation expense incurred will be paid – plus the transportation expense for one person to accompany the insured member on such trip, if such accompaniment is recommended by a legally qualified doctor. Benefits will be paid in addition to any other benefits payable under this Plan. In the event the insured member is deceased, this benefit will

be payable for a person who accompanies the body, but only if such person is a member of the insured member's immediate family.

Weekly disability indemnity benefits

All registered adult leaders 21 years of age or older (18 years if an Assistant Scoutmaster, Assistant Den Leader, Assistant Cub Master, or Assistant Webelo Den Leader) are eligible for this benefit.

When covered injuries result in Total Disability beginning within seven (7) days after the date of an accident, the Company will pay benefits for one day or more during such Total Disability at the rate of \$200 for each full week, not to exceed 52 weeks for any one covered accident. Benefits begin on the date of the first medical treatment

during Total Disability.

(Total Disability means an insured member: (1) if employed, cannot do any work for which he or she is, or may become, qualified by reason of education, experience or training; and (2) if not employed, cannot perform the normal and customary activities of a healthy person of like age and sex.)

Exclusions (what is not covered)

The policy does not cover: (a) the cost of medical or surgical treatment or nursing service by a person employed or retained by the Boy Scouts of America or Learning for Life, or by any immediate family or member of the insured member's household; (b) any loss caused by suicide or attempted suicide; (c) any loss caused by intentionally self-inflicted injuries; (d) eyeglasses, contact lenses, hearing aids, examinations or prescriptions for them, or repair or replacement thereof; (e) loss caused by war or any act of war, whether declared or not; (f) dental treatment or dental x-rays, except when required as the result of injuries to sound, natural teeth; (g) Injury or Sickness paid or payable by Workers' Compensation, Employer's Liability Laws or similar

occupational benefits.

Hospital benefits are not payable for confinement in an institution not classified as a hospital, or in a hospital or institution or part of a hospital or institution which is licensed or used principally for the treatment or care of drug

addicts or alcoholics, or as a clinic, continued or extended care facility, skilled nursing

facility, convalescent home, rest home, nursing home or home for the aged.

Important questions and answers about the plan

Q. Why was this Plan developed?

A. To provide each Council with the opportunity to include all members under one common Council-wide plan of accident and sickness insurance.

Q. Must all members of the Council be insured under this Plan?

A. All registered youth and seasonal staff are eligible for coverage and must be insured unless they are registered to a unit chartered to an LDS Church. LDS units are covered by Deseret Insurance and excluded from this policy. Coverage for volunteer leaders, including den aides/chiefs, is optional. If coverage for Learning for Life Explorers and Non-Explorers is desired, all

must be insured. If coverage for leaders is elected, all must be insured. Full- or part-time employees of the Boy Scouts or Learning for Life are not eligible. However, if the employee participates as a “volunteer” (for example, for their own child’s unit) they would be covered.

Q. If new members join after our Council has enrolled for the insurance are they covered?

A. Yes. New members are automatically covered as soon as their applications for membership are processed.

Q. Are guests (brothers, sisters, friends) covered?

A. NonScouts, nonScouters and guests who are being encouraged to become registered

leaders or Scouts are automatically covered while in attendance at a scheduled activity. Other guests are not covered.

Q. Will I receive informational material for all unit leaders?

A. Yes. When you enroll your Council in this Plan, you will receive materials you'll need to communicate the details of this Plan to unit leaders. Claim forms and copies of this brochure will be sent to the Council for distribution to unit leaders. This brochure and the claim forms are designed to explain all the details of the Plan and to answer most questions. Additional questions should be directed to the administrator, **Health Special Risk, Inc.** for specific answers.

Q. How does the Council become involved in the administration of this plan?

A. This Plan is designed to alleviate the Councils of most of the administrative responsibilities normally involved in an insurance program of this nature. Council administration is limited principally to validating claim forms (a simple procedure to assure that the claim is originating from a Council insured under this Plan and that the person making the claim is registered through the council or a guest invited specifically for the purpose of joining) and maintaining supplies for distribution.

Q. How long is a member covered under this Plan?

A. The insurance is in force for one (1) year from the date the Council effects coverage.

The insurance is in force for as long as the member is currently registered and the Description of Coverage issued to the Council remains in force.

Q. Are participants in Learning for Life Plans covered for Sickness?

A. Yes, if they are:

- In attendance at an official overnight Scouting or Learning for Life activity or other covered event operated and supervised by your Council. Seasonal staff are also covered during their off-duty hours, subject to workers' compensation exclusion

- Traveling to and from such overnight activity or other covered event.

This booklet provides a brief description of the important features of the insurance plan. It is not a contract of insurance. The terms and conditions of coverage are set forth in the policy issued to the Boy Scouts of America under policy number PTP N00327402. The policy is subject to the laws of the state in which it is issued. Please keep this information as a reference.
