## UNIT KERNEL TRAINING

Pecatonica River Popcorn offers Unit Kernels step-by-step instructions on use of their Unit Kernel Tools. Find those tutorials by clicking on the link:

### BEST WAYS TO SELL

<p><b>BOOTH / STOREFRONT SALES</b></p>	<p>Involves coordinating booths at storefronts or other high foot traffic locations throughout your community. Many units start the reservation process early to reserve the best locations. It is best practice to have <b>TWO Scouts and TWO parents at each shift</b> to cover more shifts during the sale.</p>
<p><b>WAGON SALES</b></p>	<p>Involves the Scout bringing product door-to-door to customer residences to ask for support. This method is preferred for neighborhoods close to home. A sizable percentage of homeowners say that no Scout has ever come to their door, missing this great opportunity. Product is brought along (in a wagon or vehicle), making it a quick and easy process for the customer.</p>
<p><b>TAKE ORDER</b></p>	<p>Scouts collect orders on their order forms. The Scout turns in the order form to the unit's popcorn team, to be ordered and delivered later. This can also be taken through neighborhoods, but is great for parent's co-workers, friends, and family. It is at the unit's discretion whether money is collected up front or upon delivery.</p>
<p><b>ONLINE SALES</b></p>	<p>Online sales are easier than ever, you make the same commission as any other sale, and <b>all online orders ship FREE!</b> Scouts can sell to out-of-town friends and family. Scouts set up their online account at <a href="http://www.myprpopcorn.com">www.myprpopcorn.com</a> and share their fundraising page via email, social media, and text message. Customers pay securely online, and the product is shipped directly to them AT NOT COST. The unit is not involved in the ordering or shipping process and online sales are open year-round!</p>

Credit Card Transactions and fees will be the responsibility of each Unit. Please, make sure to educate parents and Unit leaders on how your Unit will decide to conduct credit card transactions and receive payments from Store Fronts.

Before the Sale starts, please have a discussion with your committee regarding processing of credit cards and what merchant processing company you will choose to use for the sale.

Below is some helpful information regarding merchant processing companies. Choose the one that is right for you and your Unit.

## **Online Sales – Hints and Tips!**

Scouts should be encouraged to make videos and share via social media, e-mail, and text to increase online sales.

Online sales do best with repeated communication with potential clients. It takes multiple offerings to convert someone to a customer. After the customer buys, e-mail, or text, again with a thank you and the link! Encourage customers to also share with their friends and family!
